

PREPARATION FOR CAMP

- Please have your child listen to the songs that will be performed in this show. You will be invited to be a part of a Google Group where all of the lyrics to songs, recordings of music will be available for your child to practice.
- There will be chorus songs that ALL children will sing. The camp will be split into small groups and your child will sing in SOME of the small groups. There will also be some solos or duets. The chorus songs and small groups also contain solos. Children interested in singing solos should listen to the songs in advance so that they will be able to sing them on the first day for casting. Every child will have a part in the show and will participate in all chorus songs!
- PLEASE PLAY THE MUSIC FOR YOUR CHILDREN EVERY DAY so that they will be very familiar with it by the time they arrive at camp!
